T6 — first sit down and listen (18s). Not tape 6 "harmony first". Listen-back. Park unless that is the sofa sit-down you meant.
yap about dreamy (4:58). Too long. Pool Nao is 07:03–07:48 on the named yap, not this whole file.
still a little bit of time in stu 1 (4:33) and **Still alittle bit of time in studio** (13:55). Selects. Not posts.
Why'm I so cheesed off — varispeed (1:32). No match on today's cut list. Do not invent a Dreamy caption.

A5 still unposted as follow, not this week. Hello boys / pool Nao not in 040926 as a short export.
