

PROPOSAL

Month 1

How we would work.

How a month would run.

ECOPLEX

2

days, indicative

Planning call. Line up one house.

On site for the shoot.

Review and approve.

No concepts. No camera. No edit.

RUA

5

days, indicative

Two days pre-production.

One day on site.

Two days edit.

WHEN	WHAT	WHO IS IN IT
Week 1	Pre-production.	Rua. You on the call.
Week 2	Shoot day.	Both. You on site.
Week 3	Edit.	Rua only.
Week 4	Two amend rounds. Ready to post.	Rua. You approve.

Pre-production. Shoot. Edit. Handover.

A starting shape for the scope. Days are indicative. Ten videos from one shoot, ready to post.

What it is. What we take.

Format only. The lines are Ecoplex.

@rechargerenewable

Already on solar

WHAT IT IS

A lad on a drive talking to people who already have panels.

WHAT WE TAKE

Neighbour voice. Already in.

vm.tiktok.com/ZN81dRcvD

@rechargerenewable

Watch this first

WHAT IT IS

Cold open in hi-vis. No countdown.

WHAT WE TAKE

Straight. Funny because he is not performing.

vm.tiktok.com/ZNRoba22s

@rechargerenewable

How it pays

WHAT IT IS

Money talk beside the van.

WHAT WE TAKE

The first bill. Not a quote on screen.

vm.tiktok.com/ZNRobFNmA

@rechargerenewable

Do you need a battery

WHAT IT IS

A real question, answered on the job.

WHAT WE TAKE

Answer it. Do not dodge it.

vm.tiktok.com/ZNRxPKW5U

What it is. What we take.

An Irish house, then the crew.

@churchfieldhomeservices

The thermostat

WHAT IT IS

A thermostat in an Irish house. How much are you using in the day.

WHAT WE TAKE

The question everyone has.

vm.tiktok.com/ZNRobDcMn

@churchfieldhomeservices

A son

WHAT IT IS

A son talking about his parents' bills.

WHAT WE TAKE

A family. Not a case study.

vm.tiktok.com/ZNRobSHmj

@br.solar

On the roof

WHAT IT IS

A tradesperson on a roof, slightly delighted.

WHAT WE TAKE

On the job. Calm.

vm.tiktok.com/ZN88hvoHE

@daerenewables

The grant

WHAT IT IS

Thirty seconds of grant talk, walking.

WHAT WE TAKE

Real money. Not a leaflet.

vm.tiktok.com/ZN8dTbsfA

What it is. What we take.

The house running, then how a clip should cut.

@renewable_edtricity

The house, running

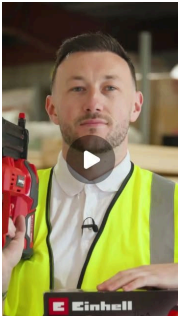

WHAT IT IS

A customer, twenty-three panels, the kettle on their own power.

WHAT WE TAKE

Solar. Battery. The car. Same house.

vm.tiktok.com/ZN81de9RC

Instagram

How it cuts

WHAT IT IS

Short cuts. Three or four words on screen, then the next picture.

WHAT WE TAKE

The pace. Not the subject.

instagram.com/reel/DaNSb4Did8v

A customer in the morning. The team after lunch.

MORNING · CUSTOMER	AFTERNOON · ECOPLEX TALENT
01 Three companies priced the house and never came out.	04 Every lad on this roof is on our books.
02 How do you price a roof you have never stood under?	05 Dinner in a house making its own electricity.
03 Two years later I rang, and someone in Dublin answered.	06 We map the whole thing before anyone talks money.
	07 Charging the car off the roof. No price on screen.
	08 This is the desk. That is the phone. No call centre.
	09 It is in. Who do you ring? The same people who put it in.
	10 If this needs looking at in ten years, it is still us.

From you. One willing customer. The location. Yes or no on the 3D still. Brand font for burned captions. A starting ten. We lock it in the scope.

That day is Standard.

IF YOU ALREADY SHOT IT Edit only €1,200 per month, ex VAT For a bank you already have. No day on site. • Up to 8 edited pieces • No shoot day	THE ONE Standard €2,500 per month, ex VAT The month you just saw. Ten videos, usually closer to fifteen. • One shoot day • 10 videos, usually ~15 • Plan, captions, titles • Two amend rounds • Ready to post	IF A TEAM CAN FEED IT Plus €4,000 per month, ex VAT Two days. Only if people on your side are lining up the next house. • Two shoot days • 20 or more pieces
---	---	--

This is a proposal. One month is enough to see it. Days are indicative. The scope names the videos. Dates are held when the first month is in.
