Three voiceovers. Record away. Export beds now, mute.

VO1 · HE HIT PLAY
2026-06-20/Nao track listen through | Blanka give me the news .mp4 · **00:00:58 → 00:01:32** · crop faces. Duck her.

> I was on the sofa in his studio and he hit play.
> That's Nao. That's the song.
> I didn't say much. I just sat there.

VO2 · DREAMY. 11 SEPTEMBER
2026-06-20/chatting about Nao | listening to still a little bit of time .mp4 · **00:00:00 → 00:00:57** · mute their speech. Trim to faces ~25s if needed.

> It's called Dreamy.
> Nao Yoshioka. Me. Blanka made the record.
> She's in Japan. We sent the vocals on WhatsApp.
> It's out the 11th of September.

VO3 · THE ROOM
2026-06-17/dont come easy recording session darragh in the booth .mov · **00:10:20 → 00:10:55** · 9:16 on the two of you. Joke lands 00:10:37. Mute.

> This is the room I keep coming back to.
> Glass. Him on the other side. Take. Nope. Take.
> That's how the song got made.

Talking. Named-file INs. Keep the audio.

A = listen-through 21:54 · B = chatting about Nao 7:59 · C = still a little bit of time intro 2:58. Base: */Volumes/T7/26 June blanka /Final Cut Original Media/*

#	FILE	IN	OUT	YOU'RE ON
T1	2026-06-17/P1001148.mov	**00:00:00**	**00:00:44**	Hello boys and girls. **Jump 00:00:17–00:00:29** (Melt / last song of his album). Resume 00:00:29 WhatsApp / Japan.
T2	A listen-through	**00:02:03**	**00:02:19**	She changed, right? I think the lyrics are better.
T3	A listen-through	**00:08:18**	**00:08:26**	Harmony first? No. At least on the first.
T4	A listen-through	**00:14:09**	**00:14:15**	Fuck man, her voice is so good. Duck her. Organic.
T5	A listen-through	**00:14:31**	**00:14:41**	Give me the news. **Hard out 00:14:41.**
T6	A listen-through	**00:21:27**	**00:21:51**	It's not recording. That was cool. Redo the chorus.
T8	B chatting	**00:02:11**	**00:02:18**	Are you happy with what we got? Hear that folks?
T9	B chatting	**00:07:48**	**00:07:57**	It's a bit of a mess. Camera's off. Write some songs.
T10	2026-06-19/still a little bit of time recording intro .mp4	**00:02:36**	**00:02:58**	I'll try that again. I have a very good feeling on this.
T11	2026-06-16/first night vlog yapping .mp4	**00:00:09**	**00:00:49**	Just arrived… collaboration with Nao Yoshioka. = A6, now usable.
T12	2026-06-20/darragh yapping .mp4	**00:01:04**	**00:01:25**	Just talk. Organic. = A5. Optional button 00:06:45 started a vlog, didn't finish it.
T13	2026-06-20/34bpm recording session darragh in the booth pt 1 .mp4	**00:00:03**	**00:00:20**	The beat comes from my ass. Punch 00:00:09.

T7 is the same window as VO2. Do not export twice. Skip spliced-tape INs unless that 3h sequence is already loaded.

Reactions. Same listen-through as VO1. Duck her. Burn one line.

#	IN	OUT	BURN
R1	**00:00:58**	**00:01:22**	He hit play.
R2	**00:02:03**	**00:02:19**	She changed it. It's better. Same as T2.
R3	**00:14:09**	**00:14:20**	Her voice is so good. Same as T4, hold a beat.

Do not export B 03:16–04:43 as a song post. That is *still a little bit of time*, unreleased.
