Answer this. Then we pick it apart.

This is Fiona Duffy's artist-brand worksheet, with everything already decided on the Papa Rua desk sitting next to the boxes that are still empty. It is not a logo. It is not a marketing plan. It is not Rua Social.

The music with Blanka is already made. You can shoot the pictures yourself. The hole is the artistic half of what kind of artist you want to become, plus the boxes that were named and never chosen.

HOW TO USE THIS

- Type in the fields, print and write, or voice-note each page into your phone.
- Where you see DRAFT, that is already on the desk. Keep, rewrite, or kill. Do not skip it.
- Empty boxes need you. Justify against a song, or against a picture you would actually shoot.
- If you cannot name a song, it is not the brand. A word does not land because it was named.
- Bring the filled PDF or the recording back. We iterate. We argue with what you said.

WHERE THIS CAME FROM

- 14 August 2026. Fiona Duffy, Defining your brand as an artist. The questions.
- 20 August. Archetypes landed, diamond half-filled, then checked against lyrics.
- Then used as a cut filter in EDIT-DAY.md and france-tof-mine.md. That is not a finished brand book.
- 25 August. PLAN.md restated the stack and refused to fill the empty boxes.

Fiona: your brand is a continuing story told by you and the people who hear you. It becomes a filter, not a post.

FIONA'S OPENING THREE. EMPTY. FILL THEM.

What is your brand as an artist?

YOUR ANSWER

What does it matter?

YOUR ANSWER

How do you communicate it?

YOUR ANSWER

Hard rules. Print these.

These are already in use when we cut. They are not optional vibes. Confirm them on the next page.

VISUAL

- No mystique. No aura. No artist alone in a void.
- Real places, real light, shot deliberately. Face in frame one.
- If a treatment puts you above the listener, it fails.
- France geography is the feel: Gilles, cheese, vineyard, 25 minutes from the airport. Not a void.

COPY

- Plain first person. No third-person artist-speak. No journey. No genre-defying.
- No Rua Social in artist copy. No em dashes in copy written for you.
- Captions: the lyric, then out now. Follow lives on talking-heads, not on the song.

VOICE

- Strongest when concrete and unglamorous: the money's coming slow, no friends on the phone.
- Weakest when abstract: in the quiet of the night when the stars are shining bright, seize the day.
- If a line could sit in a generic artist reel, it is the wrong line.

RISKS ALREADY NAMED

- Everyman without Creator is a diary. Pair fear with making, in the same post or the next one.
- Lover has to show or the grid is a bloke failing in a room.
- The live Turtle Soup grid reads Everyman plus Sage. That can quietly retire Lover.
- Outlaw is collapsed. Attitude is not function. Do not resurrect it because a caption sounds tough.
- Sage is a watch, not a swap, until you justify it against a song.
- Warm, Provocative, Clever were suggested, then leaked into the mine as if chosen. They were not chosen.
- Hero, Explorer, Magician world-building: first instincts. They failed. Do not leak them back.

1. Confirm what already landed

Keep it, rewrite it in the box, or kill it. This is the 20 August stack, checked against ten songs on 25 August.

CORE: EVERYMAN

DRAFT · ALREADY ON THE DESK · CORE: EVERYMAN

Plain, unelevated, a specific you, ordinary struggle. Not Fiona's Tesco card. Not a defence against looking pretentious.

DRAFT · ALREADY ON THE DESK · SUPPORTED BY: LOVER

Bodies and a person, not an idea of love. Lovechild, U Got Me, Set in Stone, I am a lover on tape. First dismissed, then put back.

ELEVATED BY: CREATOR

DRAFT · ALREADY ON THE DESK · ELEVATED BY: CREATOR

Aspiration as reputation. Evidenced as making on camera: packing stems, I'm cooking, rewriting a line. Lyrics cannot prove the elevate slot.

OUTLAW: COLLAPSED

DRAFT · ALREADY ON THE DESK · OUTLAW: COLLAPSED

Profanity and swagger exist. Guilt is thin. Greed in Travelling is other people. Do not build a rebel brand.

Live in Look Out Below, Turtle Soup, No Wrong. Alternative to Lover only if you say those songs are more you than Lovechild.

2. Personality. Tick exactly three.

Fiona, pages 14 to 20. Choose 3. Warm, Provocative and Clever were suggested on 20 August and then treated as chosen. They are candidates only. Mysterious fights the visual rule. Rebellious is Outlaw under another name. Justify each tick with a song, not a vibe.

☐ Bold	☐ Playful	☐ Rebellious	☐ Inspirational
☐ Mysterious	☐ Warm	☐ Adventurous	☐ Clever
☐ Provocative	☐ Inclusive	☐ Elegant	☐ Fearless
☐ Curious	☐ Nurturing	☐ Optimistic	☐ Serious

WORD 1 AND THE SONG THAT PROVES IT

WORD 2 AND THE SONG THAT PROVES IT

WORD 3 AND THE SONG THAT PROVES IT

Words you refuse, and why.

YOUR ANSWER

If the only proof of Clever is Is it jazz on tape, that is footage personality, not diamond personality.

3. Brand diamond

Fiona page 49. Five points. Drafts are on the desk. Write yours even if you keep the draft. That is how we catch a word you did not mean.

WHAT IS DISTINCTIVE ABOUT YOUR MUSIC?

DRAFT · ALREADY ON THE DESK · DISTINCTIVE

Specific, ordinary, direct, not generic-poetic. Concrete unglamorous wins.

YOUR ANSWER

WHAT MATTERS TO YOU?

DRAFT · ALREADY ON THE DESK · MATTERS

Love and fear, first person. Guilt thin. Greed observed in others. Do not keep guilt and greed just because they title a record.

YOUR ANSWER

WHAT IS YOUR PERSONALITY?

DRAFT · ALREADY ON THE DESK · PERSONALITY

Empty. Copy the three words from page 2 once you have ticked them.

YOUR ANSWER

HOW DO YOU MAKE PEOPLE FEEL?

DRAFT · ALREADY ON THE DESK · FEEL

Understood. Challenged only where the clip or lyric actually does it. You chose two, not Fiona's 3 to 5, on purpose. Entertained is a content tactic, not a diamond point unless you promote it.

Fiona page 50. Tick 3 to 5, or keep two and say why.

- ☐ Excited
- ☐ understood
- ☐ challenged
- ☐ inspired
- ☐ comforted
- ☐ energised
- ☐ curious
- ☐ emotional
- ☐ included
- ☐ empowered
- ☐ surprised
- ☐ entertained
- ☐ moved
- ☐ free

YOUR ANSWER

WHAT KIND OF ARTIST DO YOU WANT TO BECOME?

DRAFT · ALREADY ON THE DESK · CRAFT HALF

Craft is no longer a wish. You can light, shoot, and cut. Shoot deliberately. Own the pictures. Visual identity that does not elevate you above the listener.

The artistic half is the live hole. Music is made. Pictures are how you communicate. Finish it on the next pages, then write one sentence here.

YOUR ANSWER

4. Fiona questions that were never filled

WHAT DO YOU WANT PEOPLE TO ASSOCIATE WITH YOU? THREE WORDS.

WORD 1

WORD 2

WORD 3

WHAT MAKES YOU DIFFERENT?

YOUR ANSWER

WHAT WOULD BE MISSING IF YOU WERE NOT MAKING THIS MUSIC?

YOUR ANSWER

WHO ARE YOU SPEAKING TO?

Not a draft. Inference only. Do not keep it unless you can say it.

People who recognise ordinary attachment and fear. They understand me / they sound like me. Not I want to be like them. Not I want to belong to this world.

YOUR ANSWER

WHY WOULD SOMEONE FOLLOW YOU?

Fiona page 24. Tick the ones that are true. Kill the ones that are a wish.

- ☐ They sound like me
- ☐ They understand me
- ☐ They say something I cannot articulate
- ☐ They make me feel something
- ☐ I want to be like them
- ☐ I want to belong to this world
- ☐ They represent something I believe in
- ☐ They are exciting / funny / beautiful / strange / challenging

YOUR ANSWER

WHAT ARE YOU REALLY SELLING, BEYOND THE RECORD?

Not a draft. An inference from 25 August. Do not keep it unless you can say it.

A person who will say the unglamorous thing, stay in the room with you, and sometimes tell you to swallow your pride. Funny on camera. Not a guru. Not a rebel brand. Not a world you join.

YOUR ANSWER

WHAT DO YOU STAND FOR?

YOUR ANSWER

5. Archetypes as sentences

Fiona's Kendrick / Billie pages write each slot as a sentence. Labels are not enough. Draft sentences exist. Write yours.

DRAFT · ALREADY ON THE DESK · CORE SENTENCE

I am not above you. I say the ordinary thing to a specific you.

YOUR ANSWER

DRAFT · ALREADY ON THE DESK · SUPPORT SENTENCE

The connection is a body and a person, not an idea of love.

YOUR ANSWER

ELEVATED BY

DRAFT · ALREADY ON THE DESK · ELEVATE SENTENCE

I turn it into a built thing, not a diary.

YOUR ANSWER

SAGE VS LOVER

Only swap Lover out of support if you can say Look Out Below or Turtle Soup is more you than Lovechild. Catalogue currently says no. Grid currently says maybe.

YOUR ANSWER

6. The next thing you shoot on purpose

Not the Reels already in the can. The next planned piece. Pick one job. Name the song. If you pick 1 or 2 for every video this year, you have quietly retired Lover.

☐ **1. The man in the room**
Wall, sweat, France, packing stems. They feel understood. Camera at eye level, real place, you in frame one. Risk: diary, unless the next shot is you making something.

☐ **2. The instruction**
Turtle Soup, Look Out Below. Throw away your bitterness. Look out below. They feel understood and then pushed. Risk: you become a counsellor. The live grid is already sliding here.

☐ **3. The specific you**
Lovechild, U Got Me, Set in Stone. Bodies, a person, not an idea of love. They feel wanted, not advised. Risk: the camera gets shy and you shoot generic romance, which the filter already kills.

YOUR ANSWER

HOW DO YOU WANT PEOPLE TO EXPERIENCE YOU?

Fiona page 31. Tick one primary. Tick one you refuse.

☐ the one who challenges

☐ the one who inspires

☐ the one who makes people laugh

☐ the one who makes people feel understood

☐ the one who takes people somewhere else

☐ the one who says what other people are thinking

☐ the one who creates something completely new

PRIMARY

7. Turn it into a picture

A good week is performance, fly-on-wall, listen-back. Not eight acoustics. Not eight studio fails. Entertainment first for someone who has never heard a Papa Rua song. Follow is an overlay, not the hook.

SONG FOR THE NEXT PLANNED VIDEO

PLACE. REAL. NAMED IF YOU CAN.

What it looks like.

YOUR ANSWER

What it must not look like. Artist in a void, above the listener, empty pool in second one, last-year band under the wrong song.

YOUR ANSWER

WHO IS THIS PICTURE FOR?

- ☐ Someone who has never heard a Papa Rua song
- ☐ People who already care
- ☐ Both, and I know how

CREATOR TEST

If this piece is only you talking about fear, where is the making? Same post, or the next post in the grid. Name it.

YOUR ANSWER

LOVER TEST

If this week is all wall verses and studio fails, Lover is gone. Where does Lover show in the next two weeks?

YOUR ANSWER

CAPTION IN YOUR MOUTH. FIRST PERSON. NOT A BRAND ESSAY.

THREE ASSOCIATION WORDS AS A THUMBNAIL TEST. WOULD A STRANGER CLOCK THEM?

FRAME ONE. WHOSE FACE, AND WHAT IS IN THEIR HANDS OR MOUTH IN THE FIRST SECOND?

GRID MIX. NEXT THREE POSTS IN THE CAN.

Tick what you actually have. Which pillar is missing if you posted today?

☐ Performance. Face, instrument, place.

☐ Fly on the wall. Two of you working.

☐ Listen-back. Sofa, desk, after the take.

THE MISSING PILLAR, IF YOU POSTED TODAY

Fiona page 55. Apply all three to the video you just named.

YOUR ANSWER

YOUR ANSWER

YOUR ANSWER

TOUCHPOINTS. WHAT DO THEY CURRENTLY SAY?

Song, live, Instagram, TikTok, artwork, clothes, interviews, bio, music video, how you speak, how you treat people, who you collaborate with. Write the honest current read, not the wish.

YOUR ANSWER

9. Voice. Keep or kill.

These lines were already used as a filter. Confirm them. Then add one keep and one kill of your own.

KEEP. CONCRETE, UNGLAMOROUS.

- ☐ *the money's coming slow, no friends on the phone*
- ☐ *vultures and crows smell the weak and the old*
- ☐ *took it all off black, put it all back on red*
- ☐ *She seen me once so I message twice*
- ☐ *Nothing scares me like it used to / now I'm in my shell*
- ☐ *flowers will grow from your mouth*

ONE KEEP LINE OF YOURS

KILL. ABSTRACT, GENERIC, WRONG REGISTER.

- ☐ *in the quiet of the night when the stars are shining bright, a voice is guiding telling me to seize the day*
- ☐ *My body will fail but my soul and spirit are faithfully yours forever*
- ☐ *journey / genre-defying / third-person artist-speak*

ONE KILL LINE OF YOURS

10. Anything we missed

If a song, a picture, a collab, or a sentence in your head is the real brand and it is not on these pages, put it here. We will use this against the rest.

YOUR ANSWER

HOW YOU ANSWERED

☐ I typed in this PDF

☐ I printed and wrote

☐ I voice-noted the pages

☐ Mix

Bring this back. We do not adopt a word because it looks good on paper. We check it against a song, then against a picture you would shoot, then we rewrite the diamond.

Know what you make. Know what you stand for. Know how you want people to feel. Know who you are speaking to. Then communicate it consistently.
